ACCOUNT AND DEVICE ACCESS REGISTER

Know who can access the tools your business relies on.

Business/team: _____ Record owner: _____ Review date: _____ Next review: _____

Update access when someone joins, changes role, borrows equipment or leaves. Never record passwords, PINs or recovery keys.

Service/device	Business use	Staff/role	Access level	Approved by/date	Last review	Remove/change by

Person/role	Account/device	Granted/changed/removed	Date	Verified by

Review: [ ] Current access still needed [ ] Old accounts/sessions removed [ ] Recovery owners current [ ] Privileges restricted [ ] Removal verified.

Keep completed register private and secure; it reveals account and device names.
